

Autumn Term 2022 in Year 5

Well what a great start to the new school year! It has been an exciting term!

The children took part in many experiences which helped to enrich their learning. These included visiting the library, becoming Dementia Friends, watching the Image Theatre perform 'The Sword in the Stone'. Year 5 even eventually managed to visit Kew Gardens!

It was great to see Year 5 swimming this term at Darrick Wood. What an amazing class of swimmers we have. I look forward to seeing some of the children compete for local swimming teams in the near future or even the Olympics!

Most recently, Year 5 prepared coleslaw in their cooking lesson. I hope you enjoyed it. MasterChef here we come!

Here are a few other highlights that took place this term...

Bridge Workshop

The Year 5 and 6 Bridge Workshop was led by the engineers that are building the new bridge at Petts Wood Station.

Visiting Other Christian churches in the Local Area.

Year 5 visited St Francis of Assisi Church in Petts Wood to develop their understanding of Christian Unity.

Our Human Timeline

The class had great fun making a human timeline to show where different periods of history were in relation to one another. It helped them understand where the Mayas fitted into this timeline.

The Memory Café

I was very proud of the children when they visited the Memory Café at St James' Church. They were so polite and courteous. I know everyone thoroughly enjoyed the quiz!

HSBC Money Workshop – Fighting Against Fraud

We look forward to the adventures for next term.

Thank you for all your continued support.

Mrs Wilson
