

## St. James' RC School Council Meeting Tuesday 16<sup>th</sup> May 2023

Pupils present:

Year 1: Felix

Year 2: Hugo

Year 3: Ava

Year 4: Francesca

Year 5: Oscar

Year 6: Emily and Adam

Mrs Weeks started the meeting with a prayer about friendship.

Mrs Weeks welcomed everyone to the meeting.

The children discussed Walk to School Week and everyone hoped that children were walking to school this week to help improve the environment.

The children were asked what they wanted to discuss at the meeting and they asked if all the children in school could be reminded:

- To put scooters away carefully in racks
- To not play football when it was not their day
- To behave sensibly in the toilets

The group discussed again about having a competition to ask for ideas about the Peace Garden. Mrs Wilson is going to ask children to do this for homework and the RE Ambassadors and The Student Council will judge the competition entries.

It was asked if Year 5's day for being in the Y5 Classroom at lunch could be changed as the day clashes with Choir. Mrs Weeks said that she would ask Mrs Wilson.

Mrs Weeks said that she is setting up a meeting for Student Council to meet with Governors and also to meet with Lisa, the cook, to give her feedback about school meals.

Mrs Weeks suggested that the Student Council writes an email to Gareth Bacon MP to ask him to come to school to speak about democracy. They decided that they would and Mrs Weeks said that she would help them to do this.

Mrs Weeks thanked everyone for attending the meeting.
