

Another term completed and I can't believe how hard Year 2 have worked. We have loved having a student teacher, Miss Smith, with us over these couple of months. The progress this class has made is phenomenal, especially in their descriptive writing. I can tell they love to read! Well done Year 2, you should be so proud of yourself.

This term we've had a lot of fun. We have enjoyed making our own infinite rooms and creating art to go inside, persuading Mrs Martin to give them a magic finger, debating whether fox hunting should be legal or not, lost a few wellies on our CAFOD walk, created kaleidoscopes and presented our class assembly. Now it is spring, the bulbs we planted in winter have finally bloomed into beautiful daffodils. We also had the best day dressing up for World Book Day.

Throughout this term, in Geography, we followed instructions to discover Easter Eggs using compasses and our term ended with an exciting trip to Southborough Recreation Ground. We planned a route from our school to Southborough Recreation Ground using compasses. Some of our routes were successful and some needed a little more direction but we all made it to the park!

We are so proud of you all this term Year 2, you have been a pleasure to teach and we are looking forward to our final term together.

Have a lovely Easter! From the Year 2 team 😊
