

Year 6 Update – July 2022

Transition Workshops

Bromley Y, Transport for London and Kooth visited us during the term to do some work with us about transitioning to secondary school. It was a good opportunity for us to learn new skills to take in to Year 7 and ask questions about our worries or concerns about the next step in our journey.

Year 6 First Aid Training

Year 6 spent a very hot afternoon learning about basic first aid with Mini First Aid. During this training children learnt about CPR and choking, and had great fun putting each other in the recovery position and learning about DR ABC.

The Lion King

Year 6 worked fantastically as a team to perform their very own version of The Lion King. They really immersed themselves in their characters and impressed their audience with their singing and dancing abilities. The hard work certainly paid off. Photos have been sent home with the children and the DVD looks amazing.

Year 6 Forest School

After all the hard work and great effort through what has been quite a year, Year 6 was treated to an afternoon in Forest School organised by Mrs Deasy. The children rekindled their den building techniques from previous years, made soup from vegetables from the school garden and bread.

Catholic Schools Athletics Day

We spent a day at Norman Park in glorious sunshine competing in a Sports Day against other schools in the borough. Every child contributed to our overall score and we finished a magnificent 3rd place overall! Thank you to all the parents who helped with transport.

A message from Mrs Connolly

It has been a real pleasure working with such a lovely group of children and seeing them grow and develop throughout the year. Their energy levels were boundless, their enthusiasm endless and their ability to strive and succeed limitless.

I am so proud of each and every child's personal journey this year - through their ups and downs, through laughter and tears. And at the end of it all, we have a group of children ready to make the move to pastures new with confidence and the knowledge that they can, and will, succeed in their new schools. You have done us, and your parents, proud Year 6!
