

Year 6 Update Spring 2023

Year 6 have been working really hard this term to improve all of their skills both inside and outside of the classroom.

We have been fortunate to have Father David visit us for Reconciliation and we have taken time to reflect on this special time of year.

World Book Day

We had a lovely World Book Day sharing a book called Journey and creating a whole school book, starting with Reception and finishing with Year 6! Our Book Tasting Café was also a huge success! We were also treated to a Dance Workshop based on Alice in Wonderland as a belated World Book Day celebration.

Drama Workshop on Macbeth

Science Week

During Science Week we carried out investigations, experimented with Morse code machines, chick watched, wrote a biography of a scientist and built towers with marshmallows and spaghetti.

Bromley Y

Year 6 had their first workshops with Sherinne from Bromley Y where they talked about 'Fun with Feelings' and 'Feelings and Friends'.

Bank of America

We began our series of workshops with the Bank of America. Seven mentors joined us from the bank to talk about finance and money. Future workshops will build on these skills and will culminate in a visit to the bank in Bromley at the end of the year

Fun Run in Southborough Rec

Have a restful and enjoyable Easter break!
